**Subject: RESTORATION OF
FORFEITED WORKTIME CREDITS**

Number:

96/4

Date Issued:

April 1, 1996

Cancelled Effective:

This bulletin announces amendments to Division 3, Title 15 of the California Code of Regulations (CCR), Sections 3327, 3328, 3329, and 3376 governing the restoration of forfeited worktime credits.

BACKGROUND

Senate Bill 215, also known as the "Inmate Disciplinary Act", was approved by the Governor and signed into law on October 4, 1995. Pursuant to California Penal Code Section 2933, worktime credit forfeited for a serious disciplinary infraction punishable by a loss of more than 90 days (Division A-1, A-2, B, and C offenses) may be restored at the discretion of the Director.

IMPLEMENTATION

Effective April 1, 1996, **ALL** forfeited credits for CDC Form 115, Rules Violation Reports, issued on and after this date, which result in a credit loss greater than 90 days (Division A-1, A-2, B, and C offenses), **will not be restored**. This policy also applies to CDC Form 115's received by inmates prior to April 1, 1996. Inmates will be denied restoration of credits for rule violations where worktime credit losses were greater than 90 days and CDC Form 958, Application for Restoration of Credits, are not submitted 30 days subsequent to the date of this bulletin. Following this 30 day window period, there will no longer be restoration of forfeited credits for Division A-1, A-2, B, and C level offenses.

Effective 30 days from the date of this bulletin, restoration of credit for all Division D, E, and F rule violations regardless of the date of the offense, will be subject to the provisions of CCR, Section 3327. This rescinds the window period for restoration of forfeited credits provided for in AB 95/12.
